

## Tree Officer's Report to Enforcement section, Highways department

As a Tree and Woodlands Officer for the Authority I am considered to be a qualified and competent person with regards to Tree safety issues. Whilst undertaking my duties I have noted a tree/trees that I have concerns is/are a potential hazard and present a risk to users of the highway. I request that a section 154(2) notice Highways Act 1980 is issued on the occupiers/owners of the land to undertake works detailed below to remove/reduce the hazard.
